

PHASE 1

PHASE 2

PHASE 3

Goals and Objectives

- Establishing Specific Goals and Objectives for Subsequent Phases
- Stakeholder Interviews
- Regional Public Survey
- Traffic Data Collection
- Determine Scenario Planning Effort
- Future Land Use and Traffic Projection Methodology Discussions and Evaluations

Conduct Scenario Planning

Segment Evaluation

- Cost and Construction Complexity
- Permitting Challenges
- Project Readiness
- Congestion Relief

Public Meetings

Regional Connectivity Symposium

Scenario Testing

Traffic Operational Analysis

Segment Tiering Recommendations
